Jimmy Fund Clinic Move from Yawkey 5 to Dana 3

Dana-Farber’s Jimmy Fund Clinic (JFC) renovations are nearing completion. On January 12, 2015, all outpatient services currently provided on the 5th floor of Dana-Farber’s Yawkey Center for Cancer Care are moving back to the JFC’s new space on the 3rd floor of the Dana building. Directional signs and volunteer ambassadors (wearing blue vests) will be available to guide you.

All of your child’s outpatient care, including blood draws, provider visits, procedures and infusions will take place in the newly renovated space on Dana 3. Patient activities as well as iPads, laptops and reading materials will continue to be available in the Blum Resource Room as well as in the infusion room. Here are answers to some commonly asked questions.
